

Use **BerryMiser** with the right plan from your carrier and you can have **UNLIMITED** calling IN and OUT local and long distance calls to Canada/USA 24/7 for as less as 70\$!!

You will find bellow some HINTS in how to maximize your savings without changing your current carrier. We have solutions for **Rogers, Bell** and **Telus** users.

- **Rogers users**

For users that don't travel outside their Local Area:

Get a 25\$ Voice Plan with 150 daytime minutes and **My5 Local** included (one of your My5 must be one of our intermediate number accordingly to your local area) and choose one of the following from **MobileMiser** :

14.95\$ **SuperMiser** with **1000** minutes included **OR**
29.95\$ **PowerMiser Business Unlimited**

So for 40\$ a month you have 1000 minutes and for 55\$ you have **UNLIMITED** outgoing calls anywhere in North America.

HINT: If you add an Unlimited Incoming feature (costs about 15\$) to the Rogers plan and take the 29.95\$ **PowerMiser** Unlimited Plan you can enjoy **UNLIMITED** calling IN and OUT local and long distance calls to Canada/USA 24/7 for just 70\$!!

For users that travel outside their Local Area:

Get a 25\$ Voice Plan with 250 daytime minutes, add the **My5 National** Favorites Numbers feature with 20\$ (one of your My5 must be one of our intermediate number accordingly to your local area) and choose one of the following from **MobileMiser** :

14.95\$ **SuperMiser** with **1000** minutes included **OR**
29.95\$ **PowerMiser Business Unlimited**

So for 60\$ a month you have 1000 minutes and for 75\$ you have **UNLIMITED** outgoing calls anywhere in North America.

HINT: If you add an Unlimited Incoming feature (costs about 15\$) to the Rogers plan and take the 29.95\$ **PowerMiser Business Unlimited** Plan you can enjoy UNLIMITED calling IN and OUT local and long distance calls to Canada/USA 24/7 for just 90\$!!

- **Bell users**

Bell users that travel outside their Local Area can save a lot of money by following the HINTS bellow:

Get a 35\$ Voice Plan with **unlimited incoming calls** and 200 daytime minutes, add a My **Favorites** Numbers **Nationwide** feature with 15\$ (one of your "My Favorites" must be one of our intermediate number accordingly to your local area) and choose one of the following from **MobileMiser** :

14.95\$ **SuperMiser** with **1000** minutes included **OR**
29.95\$ **PowerMiser Business Unlimited**

So for 65\$ a month you have 1000 minutes and for just 80\$ you have UNLIMITED calling IN and OUT local and long distance calls to Canada/USA 24/7!!!

- **Telus users:**

Telus users that travel outside their Local Area can save a lot of money by following the HINTS bellow:

Get a 35\$ Voice Plan with **unlimited incoming** calls and 200 daytime minutes, add a My **Favorites** Numbers **Nationwide** feature with 15\$ (one of your "My Favorites" must be one of our intermediate number accordingly to your local area) and choose one of the following from **MobileMiser** :

14.95\$ **SuperMiser** with **1000** minutes included **OR**
29.95\$ **PowerMiser Business Unlimited**

So for 65\$ a month you have 1000 minutes and for just 80\$ you have UNLIMITED calling IN and OUT local and long distance calls to Canada/USA 24/7!!!
